TO WHOM IT MAY CONCERN

RE: INTERNSHIP FOR MS. MZILIKAZI ASAVELA FROM 1st AUGUST TO 30th DECEMBER 2016

This is to confirm that Ms. A. Mzilikazi completed an internship at One Click IT Solutions. This was for the duration of August to December 2016.

During the Internship, she was able to work in a team as well as do individual tasks. Among other tasks she mainly focused on Android development and testing. She completed the following tasks:

| Task | Category |
|--|------------------|
| How to generate revenue from mobile apps | Research |
| Wireframe design of an app | Design |
| Installation of Android studio | Development |
| Web hosting trends | Research |
| Creating a QR code scanning app | Development |
| Testing & demo of the app | Software testing |

She is interested in what she does and puts in the effort to get work done. Any further assistance afforded to her in her career will be of great assistance.

Yours

Mr. Mwebaze Anthony
Supervisor
