

Dear Candidate,

Thank you for showing interest in pursuing IT career opportunities with Reverside. Please take a moment and answer the questionnaire and submit the required documents listed below to complete your application process with us.

Questionnaire:

1. Why are you interested in a career with Reverside?

--I was excited to see the reviews from your employees talking about how great it is to work for your company. These days' people seem to hate where they work for different reasons. Your company's Facebook page is really engaging. I love how you are dedicated in helping us to become great IT consultants. I really believe in the value of teamwork and when I saw a position with your company to join your skills revolution program I had to make sure my CV is put in.

2. Why you want to pursue a career in IT?

--I am fascinated by the continuous innovation of technology and I want a chance to contribute to that. IT offers everyday challenges, variety of work and often a relaxed working environment

3. Do you have any academic qualifications in IT?

--No I am getting my Diploma at the end of this year.

4. Have you undergone any training or internship in IT or completed any projects, please specify?

--Yes I had a 5 months internship at One Click IT Solution. I worked in Mobile applications development.

5. Do you have any work experience in IT?

--Only the above internship

6. How would you describe yourself as a person?

--I am a very imaginative, open-minded and curious person. I'm success-driven, perfectionist, eager to improve and focus on future possibilities.

7. Do you know what area to pursue in IT, please specify?

--Everything Software development, coding and programming. I want to design and maintain websites, develop and implement software solutions and do gaming and more.

8. Do you have a mentor or guide to provide you with directions?

--Yes he has been on the tech industry for a long time and is really helpful

9. Please describe your interests and hobbies.

--Reading, watching movies, going to gym, playing games

10. Do you have a criminal record?

--No

11. Where are you currently residing?

- I stay at home in Khayelitsha, Cape Town

12. Have you completed your Tertiary Qualification (if no kindly state the reason)?

--I am still doing my third year. Unfortunately I had to repeat some of my modules

13. Do you have any dependants and are you married?

--Single with no dependants

Check List of documents/artefacts to be submitted:
